Judy Klitsner

Subversive Sequels in the Bible: How Biblical Stories Mine and Undermine Each Other

In this fresh look at ancient stories, Judy Klitsner's new book pairs biblical stories in bold, surprising ways to show how a later text will often comment on, or even subvert, an earlier one. With her fresh, original readings of familiar narratives, Klitsner illustrates the dynamic nature of biblical attitudes regarding issues of ongoing relevance, such as the self, gender relations, and relations between Jews and non-Jews.
